

Vision

Marhsall and Amy Childers serve in Stourbridge, England to revive the post-Christian culture in the United Kingdom through church planting and disciple making. They have partnered with local Christians to start a church that meets in their home. They use their gifts of hospitality to host teas, block parties, Bible studies, fellowship groups, kids' clubs, and youth events along with weekly Sunday worship services. It is their heart and passion to see the United Kingdom ring aloud once more with the praises of God!

Ways to Serve

1. **Pray!** This is a powerful but neglected way to help. 2 Corinthians 1:11: "He will continue to deliver us, as you help us by your prayers."
2. Sign up to **receive their newsletter** (contact Lori Nielsen).
3. Offer to provide **practical aid** when the Childers family is stateside for short-term visits.
4. Sign up for **short-term trips to England** as needs arise.
